CLAY CITY, KY., THURSDAY, NOVEMBER 4, 1909.

NO. 44.

THE REV. R. A. IRVIN.

The funeral of the Rev. R. A. Irvin whose death notice was briefly mentioned last week was conducted at the Stanton Presbyterian church Saturday morning by Dr. R. A. McConagha of the Stanton College and the remains were laid to rest in the Stanton cemetery. The floral decorations were real beautiful and rare. A large number of people attended the exercises.

Bro. Irvin was born in Fayette county in 1835 and was therefore seventy-four years old. He was a soldier in the Confederate army during the Civil war. He graduated from Center College in the class of '55, and at the same time and in same class were graduated with him Gov. John Young Brown and Col. W. C. P. Breckinridge. He is survived by Mrs. Irvin and two sons, the Rev. Logan Irvin, of Americus, Ga., and Dr. R. A. Irvin, of this city.

There is no language at our command by which we can fittingly portray the sincerity of Bro. Irvin's Christian character; and in the experience of twenty years, the writer hereof can safely say, he never met one who seemed to more nearly walk hand in hand with God. Conscience guided every act. He was a model of mental industry in his efforts to entertain and instruct his people. He was strictly honest in the service he rendered. In short, he was not only a model Christian, but he was an honorable gentleman, in the highest sense that term implies. To man, woman or child, saint or sinner, he always extended a cordial greeting, that lent a ray of light to brighten their pathway in the journey of life. He commanded the respect of all sects and classes of people, as the attendance at his funeral fully verified. It was so perfectly

natural for him to do right. We did not fully appreciate his true worth, until after the thread of life was severed. But as we caught a glimpse of the snow white sail that bore him away to the distant shore, we awakened to the realization that a good and righteous man had been taken from our midst.

The floral offerings surpassed in profusion and beauty anything ever seen here before. A floral pail composed of white flowers was a gift from friends. On a card appended could appropriately have been placed these words: "These flowers, so typical of the life of him we mourn, mutely speak the pathos of a parting word, and are place upon this casket by friends who loved the sweet sleeper. On these petals are tears for the parting, and the hopes for the meeting beyond the gate."

A Free Lecture.

The Hon. Thos. H. Duffy, National Lecturer M. W. A., of Dubuque, Iowa, and Hon. J. W. DeHart, of Louisville, will give a grand free lecture at the Methodist church in this city Monday night November 8th on the important subjects of the "Uplift of the Community," "Better protection of the Home," "Closer Relation of Neighbors," and "The Betterment of All," as exemplified by a society whose broad mantle covers over 5,000,000 people. And, incidentally, the most gigantic trust the world has ever known will be exposed. It is free to all. Both men and women are cordially invited to be present.

C. C. Curtis was re-elected Constable in this Magisterial district Tuesday by a majority of forty votes.

Ladies, Don't fail to see our new line of Tailored Suits.

Mrs. J. W. Williams.

DEMOCRATS WIN

In Many Republican Strongholds, but Lose in Powell Two Offices.

Tuesday was a beautiful day and the election over the State was the quietest ever held. The Democrats gained everywhere in the State except in Fayette and Powell counties.

John H. Hardwick wins over D. R. Daniel for Judge by a majority of 112; I. G. Proffitt is elected School Superintendent over F. P. Tracy by a majority of 16; Wm. Bowen, is elected Sheriff by the small majority of eight votes. 'Squire Davis is re-elected Justice in the Stanton-Hardwick's Creek district; W. T. Adams is elected to the same position in the Clay City district and J. W. Allen is elected to this office in the Bowen district. The election seems to have been quite fairly held in every precinct in the county with the exception of Stanton where is alleged many irregularities were allowed and several illegal votes cast. Hardwick carried this precinct by 137 and Hall carried it by 94. In Clay City Daniel got a majority of 59 votes; Bowen 64 and Tracy 60. Forty-four votes were cast for the Constitutional amendment and none against it.

As there was no contest, the Democratic ticket in the city election that ticket won without opposition.

The Democrats elect county officers in Estill to ever place except Jailer and that is won by John W. Elkin, Republican, formerly of this city.

Redwine and Johnson are elected in the 23rd Judicial district. Lee county elects a Democrat for County Judge.

Hall is defeated in Montgomery county by 550 votes, leaving Montgomery a much stronger Democratic county by his having run.

Breathitt returns to the Democratic column by a majority of 550 votes.

In the newly created 33rd Judicial district where it was never hoped to elect a Democrat, they win this time.

Louisville, Lexington, Frankfort, Owensboro and other leading Kentucky cities all elect Democratic Councils.

Madison elects a full Democratic ticket by 500 votes, and so does Jessamine, insuring forever, it seems, this Judicial district for the Democrats.

There is enough glory in the returns for every Democrat in the county even though we elect two Republicans in Powell. This is a Democratic year. The Legislature is Democratic by two-thirds vote.

George Adams, the prince of good fellows, came down from Jackson Wednesday morning. He said there were only two of the Adams now in business in Jackson. One is a negro photographer and the other a tie inspector.

Commissioners from this county and Clark county together with an engineer will meet at Lulbeburg tomorrow morning and decide upon the location of the proposed bridge between the two counties. It will be located at or near the end of the Iron works pike.

Death of J. F. Mastin.

Mr. J. Francis Mastin died at his home in Clark county, Friday morning of consumption, aged sixty-two years. Mr. Mastin is a native of this county and lived here all his life until about twelve years ago. He served one term as Sheriff of this county and was deputy sheriff for sixteen years. He was buried at Powell's Valley Saturday under the auspices of the Masonic fraternity. Funeral services at the church by Eld. B. J. Davis.

A Hung Jury.

Wm. Sparks who shot and killed Joe Jake Collins in Madison county last Spring, and was held without bail, was tried at Richmond last week which resulted in a hung jury. He was then admitted to bail in the sum of \$5,000. The evidence in the case was not so damaging as the reports given out before the trial.

Will Return Home.

Elder George D. Verco, a student of the Lexington Bible College and a former pastor of the Christian church in this city, has been spending several days with his many friends in this city, and preached Sunday morning at the Christian church. He has completed his course in college and in a few days will sail for Australia.

The Baptist meeting in this city continues with interest. Eld. Davis is doing some very sound and spiritual preaching. His pleadings are indeed most earnest appeals. The services will close tomorrow night.

Mt. Sterling voted \$50,000 for sewer bonds Tuesday, and Winchester voted \$65,000 for same purpose and \$40,000 for a city building.

Democrats Win in Rowan.

Mrs. Cora Wilson Stuart a sister to Mrs. E. B. McGlone of this city was elected County Superintendent of Schools in Rowan county by a handsome majority. She was elected on the Democratic ticket as was all the other nominees. This is the first time Rowan has gone Democratic in a number of years. Mrs. Stuart has a number of admiring friends in Clay City who are real glad to learn of her success.

John Hurdwick, Jr. has sued Marshal A. P. Johnson for \$3,000 for false arrest and imprisonment. He was arrested without warrant on a charge of carrying a pistol. The weapon was found on Hurdwick after he was arrested.

W. T. Gordon and J. S. Conkright, members of the Executive Board of the Boone's Creek Baptist Association from Winchester, attended the Baptist meeting now in progress in this city on Sunday.

Mrs. Ailey Easter, aged 81 years is very sick at the home of her son, Eld. A. Easter.

Notice to Taxpayers.

My term of office expires January 1, 1910. I am held responsible to the County and State for all tax that can be collected. This means I must collect or lose your tax, so all who have not paid by December 1st, the heavy penalties will be imposed by law and I will proceed to levy and sell till I collect the tax of the county in full. The law is imperative and I must be. Pay at once and save me the trouble and you the heavy expense of paying either the penalty or the cost of sale. J. M. Kennon, Sheriff Powell Co.

A Booster Pledge.

Here is a booster pledge which every citizen in Clay City should sign and observe always to the letter:

"Upon my word and honor, I hereby now declare that as long as I am a resident of this community it will be my constant aim to boost at all times and every time. I will do what I can for the public work that has the good of the community as its object. I will submit to and abide by majority rule, and will not knock and howl my head off if things are not done my way. I will take no radical or extreme position on any question before, and will have due respect for the opinion of my friends and neighbors when their opinions are opposed to mine. I will always try to say something good about my town and my people, and I'll keep my bazoo shut and 'cut it out' like a man. I realize that if this community is good enough to live in and make money in, it is the proper place to spend my money in."

W. G. Cawee, acting State Inspector and examiner has just completed an examination of the books of the various County offices has found them in fine condition. What can they now say about them. It has been alleged for some time that great recklessness on the part of the county officers has existed. If some people waited to know what they were talking about they wouldn't talk much.

Over in the 23rd Judicial district Adams called in Willson and Caleb Powers to help him campaign and then to top the climax he called in the soldiers and put them under his individual control, and then lost. Do you suppose he thinks it was fairly done?

The salt trust under the protection of the "Revision down."

ward" gang at Washington last spring has recently dropped upward 66 2/3 per cent. Great is Republican promises.

The Beattyville Enterprise has had much to say about Salt river. Guess it is now beholding the sights of that stream.

We have partially lost in Powell, but we can rejoice as never before when we think what our neighbor Estill has done.

A Fake Story.

The statement has been published broadcast that after a certain date it would be unlawful for a person to give a check for less than \$1, and the penalty for the "offense" was a fine of not less than \$25 nor more than \$500. The statement created a storm of protest. The following statement has been issued by the officials of the United States Treasury Department concerning the matter:

"There is no law which stops a man or woman from writing a check for less than a dollar, despite reports to that effect. A number of inquiries have been received at the Department regarding a statement that there was such a provision in the penal code about to go into effect. The law governing the subject, instead of being a new one, was enacted back in the sixties and has never been construed to apply to checks on deposit. Its purpose is to prevent the circulation of private paper as lawful money itself."

Sells Bank Stock.

J. F. Cox, formerly cashier of the Clay City National Bank, who a few years ago went to Bowling Green National Bank taking \$30,000 of the capital stock, has sold his stock in the bank and resigned as President of the institution to go to Louisville and accept a better position with the Columbia Finance and Trust Company.

Returns to Home.

J. F. Clark left Wednesday morning for Shelbyville where he will re-enter the Old Men's Home of the Masonic Fraternity. He was there a short time this summer and was anxious to return. He says the old Masons there are unusually well cared for, and he pictures it as an ideal home.

The Best Insurance

There are life insurance, fire insurance, storm insurance and stock insurance, all of them good enough so far as they go, but none of them quite equal to the industry that insures against unhappiness and want in old age.

The only man not deeply concerned in good roads in our county is the tramp who goes that way but once.

Gov. Willson has pardoned Walter R. Day who was sentenced to the penitentiary from Breathitt county on the charge of forgery. Day was formerly Republican State Treasurer of Kentucky.

Want Cities Exempt.

Mayors of twenty Kentucky towns will petition the coming session of the Legislature to pass a bill exempting cities from damage suits. Mayors in the larger cities will also urge the Legislature to grant the much needed relief. Under the present Kentucky laws neither the county nor State can be sued, but the cities and towns do not enjoy this exemption. The number of suits filed against municipalities every year run up into the thousands, and hundreds of judgments awarded against cities where the parties suing were not entitled to damages. It is to remedy this evil that the Mayors have agreed on a bill to be presented to the next Legislature.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a humming sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.
